

PMP Exam Prep Class at Cerner's Innovation Campus – Security

This class will be held at Cerner's Innovation campus which is located at:
10236 Marion Park Drive,
Kansas City, MO 64137

Innovative campus is a secured facility and you will need to follow Cerner's security process to attend the class. Cerner is providing the classroom facility for the class at no cost to you; but you are expected to follow their security processes. If you feel you can't follow this process or it is too complex; please do not enroll for the class.

A summary of the security process that must be followed by all Class Participants:

- You must use the West Marion Park Dr. entrance to the campus - See [driving directions](#)
- You will be given access from 5:30 p.m. until 9:15 p.m. for the evenings of the class
- Please arrive between 5:30 p.m. and 6:00 p.m. for the first class on May 7th
- The first evening of the class, May 7, you will need to check in with the guard to get access to the campus guest parking lot. Use the left lane next to the guard shack. See [driving directions](#) to get to Innovation campus and see [Innovation campus map](#) for where to park
- Check in with the security guard at the main floor lobby after you park
- You will be directed to the classroom on the second floor – Green ICG2-3
- Cerner Security will take your photo for your temporary security access card
- You will be given a temporary access card which will give you access to the campus for the 13 classes
- Please display your access card while on campus
- Please return your access card the evening of the last class on July 30
- Innovation Campus Security office can be contacted at 816-446-1300
- You can also contact the class coordinator [Gene Schreiner](#) at 816-201-5794 if you have questions
